THIS REVIEW PETITION HAVING COME UP FOR ADMISSION ON 31/01/2007,
THE COURT ON THE SAME DAY PASSED THE FOLLOWING:

K.BALAKRISHNAN NAIR, J.

R.P.No.50 of 2007 in WP(C).No.31053 of 2005

Dated this the 31st day of January, 2007.

ORDER

Counsel for the writ petitioner took notice for the respondent.

Heard. The judgment was rendered on the assumption that necessary materials produced by the petitioner were with the University though sufficient copies were not made available. So, this court directed the competent authority of the University to take a decision. It was also ordered that if the University incurs any expenses for taking the photo copies of the materials produced by the petitioner, the University will be free to recover it from the petitioner. But, it has come out from the materials produced in this R.P. that the materials produced by the petitioner have been lost irrecoverably and for the competent body to take fresh decision, copies of this materials should be procured or made available. In view of the above position, the judgment rendered on a wrong assumption is recalled and the writ petition is restored to file.

The Review Petition is allowed as above.
